

STUDENT CONTRACT

Our school district is pleased to provide opportunities for students through interactive videoconferences. Students are able to go on electronic field trips to locations that would be prohibitively expensive to actually take classes to in person.

Because of the uniqueness of videoconferencing, certain standards are expected of students enrolled in classes and/or attending field trips through videoconferencing. This contract is intended to make both students and parents aware of these standards. As a student participating in a vc, I am aware that:

1. Certain standards are expected of me, and insubordination of any kind will not be tolerated. Insubordination is defined as anything that interferes with teaching or learning in the classroom.
2. Inappropriate language or gestures will not be tolerated.
3. Because of the technology, anything I do in the classroom can be recorded by anyone at any time, so my behavior on camera can be viewed by anyone.
4. Classroom procedures that must be followed are:
 - A. Students must sit within camera view at all times.
 - B. Students must not mishandle the equipment in the classroom.
 - C. Students must follow all other rules as specified by the teacher(s).

The following procedures will be followed for students who do not or cannot abide by the above listed rules:

First Offense: The student will be given a verbal warning and told that letter of the infraction may notify his/her parents.

Second Offense: The student will be removed from the classroom.

I have read and I understand the policy above and agree to abide by the rules of this contract.
